

How to activate a CMLink-Konec Mobile SIM card

You can activate your SIM at Konec.com.au or use the Konec Mobile app.

Step 1

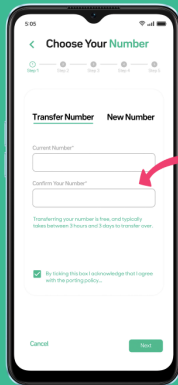

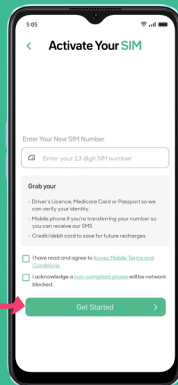

Create a Konec Mobile account, or sign in if you already have one.

Once logged in go to **Service** then **Activate SIM** option on menu.

Step 2

Enter your 13-digit SIM card number and click

Get Started.

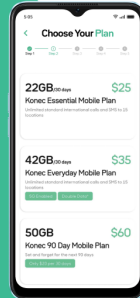

Keep your number, or grab a new one!

Step 3

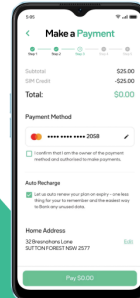

Choose whether you want to get a **New Number** or **Transfer Number** from your previous carrier.

Step 4

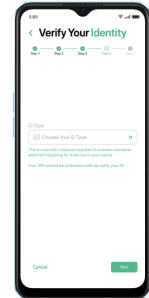

Enter information required and choose your plan.

Choose your plan

Save your payment details & street address (Contact number: you can fill in your Chinese Number without "+86")

Have your ID ready for verification

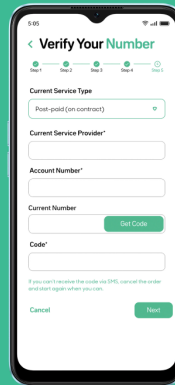

We also accept Visa or Mastercard as a form of ID!

Step 5a

If transferring, choose if your existing number is pre-paid or post-paid. If post-paid, enter the providers name and your account number.

Tap 'Get Code' to receive a 6 digit code by SMS to verify.

You'll get an email from us when your service is ready to use. Insert your SIM, power off/on and you're good to go!

ETA: Up to 3 hours. Feel free to continue to use old provider SIM until then.

Step 5b

If you're getting a new number, insert our SIM in your phone and when you get our email that it's activated, power your phone off/on and you're good to go!

ETA: Up to 1 hour
